

Dave Green
Managing Director – The Dasiemme Group

My 30 years' consulting experience in delivering highly effective Business, HR and Recruitment solutions has seen me provide services for a range of clients and industries including Telstra, Optus, global oil & gas companies, Defence. I transfer my knowledge to others, and use my extensive corporate experience to help a wide range of small businesses.

I'm honoured to have been named in the Top 25 Business Coaches in Brisbane, and am extremely proud of the fact that one of my clients was named Female Entrepreneur of the Year in 2016. I'm a trusted consultant to business and have provided my SME clients with the skills to increase their profits, have more time to spend with family, and have a better lifestyle.

I have lived in the Moreton Bay Region since 1990 and helped hundreds of businesses succeed during that time. Just part of my community involvement includes:

- Managing Director of [The Dasiemme Group](http://www.dasiemme.com.au)
- President of the [Chamber of Commerce North Lakes](http://www.chamberofcommercenorthlakes.com.au)
- Director of [North Brisbane Business Education](http://www.northbrisbanebusinesseducation.com.au) – workshops held in North Lakes
- Life Member of the RSL
- Keynote speaker and skilled Presenter

I'm a keen sports fan, particularly of the NFL, soccer, NRL and cricket. I also enjoy reading Matthew Reilly novels and spending time with my family.
